

2008-09 SOCCER RULES EXAMINATION – PART II

KEY SHEET FOR MANUAL SCORING

Instructions For Grader: Place this punched card over the answer sheet to be graded. In each punched hole which has no mark, place a red check to indicate the wrong answer has been selected. If both answer spaces are marked for any one question, then the grader must score the question as missed. To determine the examinee's score, subtract the number of wrong answers from 100. For example, if the examinee has 14 wrong answers, the score is 86.
